## **VAW-13 Zappers**

A thumbnail sketch of the history during the EA-1F years

### **Land based stations:**

10/159 – 7/9/61 NAS Agana, Guam

7/22/61 – 10/1/68 NAS Alameda, Alameda, California

### **Land based, extended detachments:**

5/14/62 – 9/10/68 Detachment One, NAS Cubi Point,  
Republic of the Philippines

1/2/63 -4/2/63 & 10/15/63 -12/9/63 & 1/28/64 – 3/7/64  
Detachment Hotel, NAS Barbers Point, Hawaii

### **Operation Water Glass. All weather interceptor operations from Tan Son Nhut Airfield, Republic of South Vietnam:**

8/10/62 – 9/23/62

1/2/63 – 2/19/63

4/29/64 – 5/8/64

2/17/65 – 2/25/65

## **Yankee Station operations:**

Initial deployment to USS Midway (CVA-41) for combat operations over North Vietnam 4/13/65 – 6/17/65. Near continuous VAW-13 Det One personnel and airplanes deployed to various CVAs at Yankee Station from then until 9/68.

What follows is a non-continuous collection of orders and other documents collected by Tom Kingzett that contain the names of personnel who were assigned to various detachments and operations that VAW-13 was assigned. Reading through these will trigger memories of squadron mates that you served with as well as reminders of your service in the squadron.

This assortment of historical offerings is in no way a complete history of the many accomplishments of the Zappers and their "Queer Spads." But it may serve as a further reminder of those days past.

Documents appended should be identified in Part VI, page 4.)

1. Due to the nature of the ELECTRONIC COUNTERMEASURES mission of the Squadron and because we have the only EA-1F aircraft in PACFLT, the squadron provides its own CRAW services. Hence a good portion of squadron time is devoted to training. During the preceding six month period 9 ECM pilots, 5 NAO(E)'s, and 19 aircrewmembers completed the training syllabus.
2. In addition to providing ECM services for fleet exercises and conducting unit training, the squadron, (and its detachments at Cubi Point, P.I. and Barbers Point, Hawaii) provides ECM services to the ships, aircraft & ground sites of COMFIRSTFLT, COMSEVENTHFLT, COMCRUDESAC, CONTRAPAC, COMOPTVFOR, COMFAIRS HAWAII, ALAMEDA, and SAN DIEGO, 13th and 5th Air Forces, and to Air Force Warning nets in WESTPAC, HAWAII and EASTPAC.

Tom,

As promised earlier. I'm almost positive this is correct. The old mimeo was hard to read, but not totally illegible. The designators after the officers' names are 1315 = pilot and 1355 = NFO

Dear Sir:

This is just to thank you for the wonderful letters you sent my parents in regards to the death of my brother, Lt. (j.g.) M. D. McMican. They really helped in our trying time to know that he was a well liked as we always knew. He was a wonderful young man and he died doing something he loved more than anything - his flying.

Thank you for the time and effort put forth on your part in writing these letters which mean so much to the ones he left behind.

May God be with you all on the Midway in the days ahead.

Sincerely yours,

*Jacquelyn V. McMican*
